EXECUTIVE PROFILES

Neilesh Verma
President

Neilesh is a native of San Antonio; he received a Bachelor Degree in Economics from The University of Texas at Austin in 2004 and an Executive Masters in Business Administration from the University of Texas at San Antonio in 2009. He joined Galaxy in 2005 and has worked in several positions within the organization. His current responsibilities include, but are not limited to: Direct Oversight of All Internal and External Operations, Formulating the Company's Strategic Plan, Establish Organizational SOP for Project and Financial Controls, Client Relations, Contract Negotiations, Pre-Construction Services, Corporate Communications, Media and Project Estimating Flow.

Ramiro "RC" Contreras
Executive Vice President of Operations

As Executive Vice President of Operations, RC's responsibilities include overseeing and implementing systems for both office and field operations, supervising five project managers and their teams insuring that daily tasks of contracting, purchasing, constructing and managing multiple projects are maintained. Ramiro received a Bachelor of Environmental Design in 1980 from Texas A & M University, College Station, Texas. He also attended Texas State Technical Institute, Waco, Texas and received his A.A.S. in Drafting and Design in 1973. He has over 46 years progressive experience in general contracting and construction management.

Cara DeAnda
Chief Financial Officer

Cara has over a decade of tax, consulting, and accounting experience, including significant experience in real estate development, construction, and partnership taxation. Cara is a member of the American Institute of CPAs and Texas Society of Certified Public Accountants, as well as the Real Estate Council of San Antonio, and a member of the Executive Committee for Urban Land Institute - San Antonio. She is a 2002 graduate of Angelo State University with a Bachelor's and Master's degree in Business Administration, with a concentration in Accounting.

Tye Burch
Director of Pre-Construction

Tye has over 23 years of commercial and multi-family general contracting experience in both estimating and project management. His experience in construction consists of a variety of projects including: multi-family, educational, government, retail, hospitality, medical and institutional. Currently at Galaxy Builders, Tye is head of all pre-construction activities including but not limited to, meeting with Owners and design consultants, preparing conceptual budgets, preparing detailed estimates and submitting value-engineering ideas. Tye is an integral part of Galaxy Builders success with his main focus being on the clients needs.

K. Nicole Braddock
Controller

Nicole is a graduate of the University of Central Arkansas where she obtained her Bachelors and Masters degree in Accounting. Nicole moved from Arkansas to San Antonio in 2013 after being recruited to work for a local accounting firm. Prior to Galaxy, Nicole worked in public accounting, specializing in tax and acting as a business consultant for a variety of different industries in San Antonio. Nicole joined Galaxy in 2016 as our Associate Controller and transitioned into the Controller role in November 2017.

Mick Sidbury
Director of Operations

As Director of Operations, Mick's responsibilities include overseeing and implementing systems for both office and field operations. Supervising all project management teams to insure that daily tasks of contracting, purchasing, constructing and managing projects are maintained. He has over 37 years experience in a broad spectrum of home building, highway projects, commercial and general contracting with construction management.
