

Listen to our podcast, BuzzHouse

Baker Tilly's podcast series specifically for professionals in the multifamily housing industry.

Join Baker Tilly partners Don Bernards and Garrick Gibson, as they host a series of 15 to 20 minute podcast episodes geared towards educating multifamily housing professionals on timely and relevant topics. We've developed this online community to connect you to our partners and leaders across the globe. From COVID-19 checklists to modular construction tips, the BuzzHouse series is delivering impactful topics on a bi-weekly basis. View some of our most popular episodes below!

Baker Tilly US
BuzzHouse: A developer's checklist during COVID-19
